

FERNANDO JOSÉ NAVAS MOLINA

Junior Software Developer — Backend / Full-Stack / QA

Quito, Ecuador · navasfernando75@gmail.com · LinkedIn · GitHub · Portfolio

PROFESSIONAL PROFILE

Final-year Information Systems Engineering student (PUCE, graduating 2026) with hands-on experience in full-stack development (Node.js, Java, Angular, PostgreSQL), manual and automated QA (Selenium, Cucumber, Karate), and process automation with Power Platform. Currently a QA Specialist Intern at NTT DATA. Seeking a junior position in development, QA, or automation, with strong learning agility and a results-driven approach.

EXPERIENCE

NTT DATA Europe & Latam · Quito, Ecuador

Feb. 2026 – Present

Quality Assurance Specialist Intern

Jun. 2026 – Present

- Performed functional manual testing on Bizagi and Athento platforms, as well as performance, load, and stress testing to validate system performance and stability.
- Produced reporting in Azure DevOps for QA process control and traceability; automated test documentation using Jira MCP and Serenity.

N1 Support / QA Trainee

Feb. 2026 – Jun. 2026

- Handled and resolved banking client tickets (collections, payments, ISD refunds) and participated in national and international incident-response meetings.
- Trained in test automation with Gherkin, Karate, Selenium, Cucumber, Java, and Git; proposed automation of the ISD (Foreign Exchange Outflow Tax) refund validation process using Power Automate.

Freelance Software Developer · Independent

2023 – 2025

- Physiotherapy clinical records system: Node.js + Express + Sequelize backend on PostgreSQL, JWT authentication, REST API, and AI-assisted clinical suggestions (OpenAI).
- Online store for an educational institution: shopping cart, inventory, and admin dashboard (Node.js, Express, EJS); requirements gathering and direct client delivery.

Full-Stack Developer (Intern) · INSTTI — Institute of Intelligent Technologies · Remote

Jan. 2025 – Mar. 2025

- Maintained platforms built on Odoo, managed SENESCYT documentation processes, and developed web and desktop applications in Java; provided technical support to faculty and students.

Programming Tutor · Progrademy · Remote

Mar. 2025 – Dec. 2025

- Taught introductory logic and programming classes using Code.org, with hands-on guidance and a focus on computational thinking.

Development & Automation Intern · SLB (Schlumberger) · Hybrid

Nov. 2023 – May 2024

- Developed AI and computer vision solutions for text recognition (OCR) in documents, using Power Apps and Power Automate to optimize processes.
- End-to-end development of web applications (frontend and backend) with Node.js, Angular, and PostgreSQL.

FEATURED PROJECTS

PymeFlowEc — Modular SaaS ERP for SMEs (thesis project) · Angular · Node.js · PostgreSQL — 2026

- Multi-tenant SaaS prototype with invoicing, product, and finance modules adapted to Ecuadorian tax regulations (SRI); unit and integration test suite built with Jest and Gherkin.

Used-Car Price Prediction · Python, pandas, scikit-learn — 2024

- Machine learning pipeline including exploratory data analysis, feature engineering, and supervised regression models.

EDUCATION

Information Systems Engineering · Pontificia Universidad Católica del Ecuador (PUCE) — 2021 – 2026

International Baccalaureate (IB) — Business Management · ISM Academy Quito — 2021

CERTIFICATIONS

- AWS Partner: Technical Accredited and Migration Acceleration Program (2026)
- AWS Academy Graduate: Cloud Foundations, Machine Learning Foundations, Data Engineering, ML for NLP
- Cambridge English B2 (2025) · Cisco NDG Linux Essentials · Microsoft Office Specialist (Excel and Word)

TECHNICAL SKILLS

Languages: JavaScript/TypeScript, Java, Python, SQL, Dart

Backend / Frontend: Node.js, Express, FastAPI, REST API, JWT, Angular, React, Flutter

QA & Testing: Selenium, Cucumber, Karate, Gherkin, Jest, Jira, Azure DevOps

Databases: PostgreSQL, MySQL, MongoDB

Cloud & Automation: AWS, Azure DevOps, Git/GitHub, CI/CD, Power Automate, Power Apps, UiPath

Languages Spoken: Spanish (native) · English B2 (Cambridge English, 2025) · French (basic)
